

KWC

KWC
LIVELLO

**CLEAN-CUT
AND
CROSSWISE**

ELEGANCE AND FLEXIBILITY IN ONE

KWC LIVELLO will keep your kitchen standards on the straight and narrow, even if the body of the lever mixer runs off in a crosswise direction. With this high-quality kitchen faucet, you are sending out a clear message that you feel right at home with top quality.

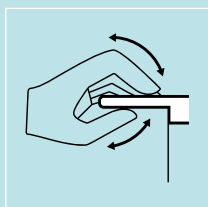

In and out

This pull-out aerator has both brains and style. It can extend up to 60 cm if you pull it out, but otherwise retires politely and seamlessly back into the spout.

Round and about

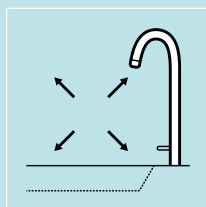

With a radius of 160°, you can swing this faucet round to its full extent. The elegant spout swivels easily, giving you even more freedom to move around comfortably in the kitchen.

KWC +

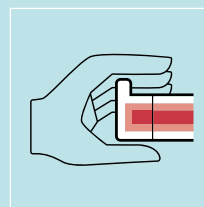

UniqueLever

Innovative lever designs that allow for natural and intuitive use: UniqueLever features innovative KWC design – elegance and precision that you can not only see, but also feel every day.

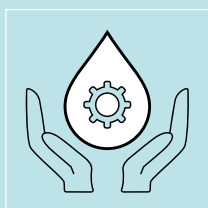

OptimalSpace

Practical yet elegant ergonomic design: OptimalSpace features long, tall spouts that provide ample space for washing and or working.

TouchProtect

Safe to use: An insulated hot water guidance system with a “double skin” principle means the body of the faucet or the pull-out spray can become warm but never hot. In this way, TouchProtect intelligently prevents scalding.

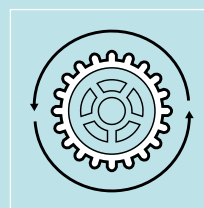

HealthProtect

Mehr Hygiene und unveränderte Wasserqualität: HealthProtect kennzeichnet unseren hohen Anspruch, Wasser weder in Geruch noch Geschmack zu beeinflussen – dank der Verwendung von hochwertigen Materialien (Metalle, Kunststoffe), die für den Kontakt mit Wasser optimal geeignet sind.

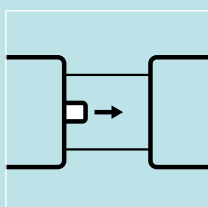

GlacierFinish

Solide Oberflächen und exzellente Verarbeitungsqualität: GlacierFinish sorgt für speziell robuste Oberflächen, die besonders widerstandsfähig sind und mit ihrem Glanz für langlebige Freude sorgen.

PrecisionMove

Exceptional elegance and precision: PrecisionMove allows for seamless movements and exceptional convenience thanks to our consistent use of top-quality materials and superior craftsmanship.

EasyLock

A spray that is easy to use and automatically snaps into place: EasyLock is equipped with special positioning pins that ensure that the pull-out spray is always in the right position.
