ISLA

**ALL-ROUND
PERFECTION**

WELL-ROUNDED

For some people, design is the number one concern. For others, it might be convenience or quality. Then there are those who simply want everything to be just right. It is for these people that we have designed KWC ISLA: elegant, functional and precise, right down to the smallest detail.

Your everyday life just got even more enjoyable and convenient: The swivel spout and lever create one striking design ensemble, while the generous swivel range simplifies routine tasks.

KWC +

TouchProtect

Safe to use: An insulated hot water guidance system with a “double skin” principle means the body of the faucet or the pull-out spray can become warm but never hot. In this way, TouchProtect intelligently prevents scalding.

SprayClean

Actively helps with the removal of limescale: With a special faceplate and fastening mechanism, SprayClean prevents limescale buildup. Any deposits are sprayed away automatically when the water is running. The special fastening mechanism helps with more stubborn lime deposits: simply turn, clean, and the job is done.

PowerClean

The spray you want at the touch of a button: PowerClean makes it exceedingly easy to switch the flow of water on the spray head – from a standard spray to a fine needle spray.

GlacierFinish

Robust surfaces and high-quality craftsmanship: GlacierFinish is equipped with durable surfaces that are exceptionally robust and feature an attractive polished shine that you can enjoy for years to come.

TwistProtect

Effortless work around the sink: TwistProtect prevents the hose from twisting or knotting.

PrecisionMove

Exceptional elegance and precision: PrecisionMove allows for seamless movements and exceptional convenience thanks to our consistent use of top-quality materials and superior craftsmanship.

EasyLock

A spray that is easy to use and automatically snaps into place: EasyLock is equipped with special positioning pins that ensure that the pull-out spray is always in the right position.

**Kitchen**

Lever mixer

- Swivel spout 160°
- Flow rate and temperature continuously variable

10.371.023.000FL all chrome A 225

Flow rate 14 l/min (3 bar)

**Kitchen**

Lever mixer

- TouchProtect - anti-scald protection thanks to the "double skin" principle
- Pull-out spray
 - up to 700 mm pull-out length
- SprayClean - easy to clean and actively prevents limescale buildup
- PowerClean - needle spray mode
- automatic diverter reset
- TwistProtect - 360° swiveling spray
- Hose guide, swivelling 95°
